

## COUNTDOWN TO CROCK OF GOLD FINAL

The countdown has now begun for the most eagerly awaited free for all of the year, The Crock of Gold final over a mile at Tir Prince on Wednesday 31<sup>st</sup> August. The final features 8 wonderful horses all off the gate with the draw being crucial. The full line up is

Matador Hall  
Laneside Lexus  
Bon Jasper  
Doonbeg  
Rhyds Destiny  
Forafewdollarsmore  
Crown Manhattan, and  
Pan Lubber

Could this be the night that Doonbeg gets a kind draw and shows its undoubted class (and smash the track record of 1.568 held by Crown Manhattan) or could it be the first win by a fillie with the impressive winner at Tir Prince, Laneside Lexus or the Fletchers Matador Hall a very good winner against this field two weeks ago? The two protégées of Hasty Hall, Rhyds Destiny (a winner here last year) and Bon Jasper will fancy their chances and John Dalys Pan Lubber has placed here before in this class. Whoever wins will have to beat last years winner Forafewdollarsmore and current track record holder Crown Manhattan. Neither horse has been at its best this season but both horses love this track and given a good draw they will both feature.

Crown Manhattan winning a Crock of Gold heat whilst breaking the track record

The supporting card is mouth watering with all races bar one off the gate in free for alls or preferred free for alls and now includes the Junior Welsh Dragon Colts final that had to be postponed at Tregaron due to the bad weather. The quality of the field is exceptional. The

meeting kicks off at 7pm with a maiden race and is followed by a very competitive 2 year old colts race with Camden Daniel getting the plumb draw of number one and a heat winner, we then have a grade one only race with 8 on the gate this is a hard one to call but the 3 year old Magic Moments has won here already this year.

The only trail of the night is a grade 2, 3 4 race with grade 2 horses Colonel Mustard and Southlands Dillinger going head to head again but don't discount the grade 4's because Saunders Desire, The Right Sum and Ayr Hero have all performed well here this year.

The preferred open handicap gives Change the Locks a quick chance to remedy the break it made here last time when well in front, this horse looks capable of a very fast time but there are some class horses in the field with local favourite Ayr Mission, Tailgate Princess and Lyons Erryl Hall all proven winners at this class.

The 11 horse field for the One Mile Free For All trot features the best trotters in the UK and they will be attempting to break the UK record for the mile.

The Crock of Gold final will be followed by the £1000 Billy Williams One mile free for all. This race is often won with faster times the Crock of Gold final. This year we welcome back the ever popular Scoot Around but this will be a hard race to win with the 1.57 horses Stoneriggs Mystery and Red Casino likely to be well fancied but don't discount a proven winner here, the grey Dillingers Dream but the form horse is the 3 year old Frisco Haveago a winner of its last 4 races.

Gates open at 5pm, there will be a late bar and disco and full betting facilities if you wish to book a table in the restaurant ring John on 07747442966. Entrance adults £10, under 16's free with an adult, car parking free.
