### Tipster Comments

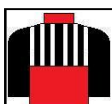

The opening heat of the 2011 Famous Musselburgh Pace and what a competitive event we have on offer. Dreammaker makes his 2011 debut today and has been kept for this all year. Very impressive last year winning five times in nine tries and has the size and scope required to be successful here. Katie Jasper is a speedy sort and would be strong fancy of this race was taking place on a hard track as there are question marks on whether or not she can handle this course. Talavary Cherokee is Mr Consistent having either won or been placed in 16 of his 19 lifetime starts and despite this being his toughest challenge yet, he can't be dismissed. The selection is for the local hope Havenaparty. A very impressive heat and final winner recently at Bells Field, he is open to further improvement and will aim to get a win on the board for Scotland.

**Tipster Comments**

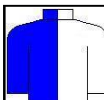

All eyes will be on Mahogany Jasper here. He boasts an impressive record this season and driven by 'Rocker' Laidler he is sure to be supported in the betting ring. Rockefeller Mentor is big money US import who is starting to hit form while last weeks Corbiewood winner, Autumn Melody and Live In Beauty, represent the best chances of a local victory. The English owned but Irish trained Desert Storm could prove to be the fly in the ointment for the selection however, and although she has failed to win this season so far she has been placed consistently and could spring a surprise.

### Tipster Comments

3YO star Meadowbranch DJ has shown great talent this year however he is in amongst the big boys today. Whitestar Hanover was ver impressive at Appleby this year and suffered interference in his most recent start so he has strong place claims. April For Sure is a dour stayer who will relish todays conditions along with Welsh raider Devils Best who is a course and distance winner. Astounding has won eight in ten lifetime starts and recorded the fastest winning time at Appleby this year. A very impressive 'pipe opener' at Corbiewood recently and will take all the beating in this. Evenwoodmissingbits is another course and distance winner who could show up well at rewarding odds.

### Tipster Comments

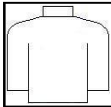

Wills Red will lead them all a merry dance, however it may just set the race up for one of the proven stayers in the race. Recent Aberystwyth winner Meadowbranch Demon will be popular with punters while Rattlesnake Annie is another who loves it around here and holds a live outside chance. Wine Taster won a heat here last year and recorded an impressive 1.59.1 win at Portmarnock in his latest start, making him a leading player in this. General Howard won the top grade heat and final at Bells Field recently, however his handicap mark has been damaged as a result. Halfabootie is an out and out stayer and this big mare could spring a shock at a big price.

### Tipster Comments

Stoneriggs Mystery was involved in an epic battle in last years final and was narrowly touched off by Forafewdollarsmore. A potential Free For All star and this has been his target since last years final. He is a class act who will take all the beating. If anyone is going to turn over the selection it will be the diminutive world record holder, Doonbeg. A winner of last years FFA in a track record time, the fans favourite has been in awesome recent form and will make sure the selection has to be at his best to land the spoils. The others will likely be fighting it out for the minor honours with Appleby winner Premier Dream the ost likely to threaten the two main protagonists.
