The WELSH DRAGON Series

The Welsh Dragon Series developed from a grass championship race for three-year-old horses previously run at Tregaron.

The Welsh Dragon Series is one of British Harness Racing's most prestigious Stakes Race, many previous winners in the Welsh Dragon Series have gone on to be top class FFA horses.

The Welsh Dragon Stakes Series offers an opportunity for all horses to be eligible and is not restricted to offspring of specific stallions. The series is split in to Colts & Geldings and Fillies division and horses may be supplemented.
