## Le Trot Sale 2016

We will organise another sale in March 2016, aiming to have the horses ready for racing in early May.

We are seeking a minimum of 15-20 horses in order to run 3-4 races per meeting and we want your deposits of £250 in order to be able to confirm our place on the Le Trot Sale schedule.

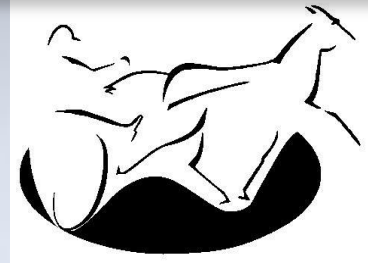

Never has trotting in this country had the opportunity to flourish like this. There should be no bigger incentive to those who are interested in trotting than that which is being offered now.

The 2016 series will be the best one yet so don't delay! Place your deposit by **5th NOVEMBER** and be part of the ultimate goal to get the 'PMU'
