Bookmakers pick in seniority order each trading day and choose any available pitch.

6. Under no circumstances can the pitch be sub-let if the named business does not stand a pitch, transfer must take place. ALL transfers must take place at least seven days before a race meeting
7. Each bookmaking business will only be allowed one pick per list.
8. A maximum of 8 'betting without' pitches will be allowed at all fixtures and the number of bookmakers 'betting without' must never exceed the number of bookmakers betting straight.
9. All betting without pitches will only be allowed to 'bet without' ONE horse.
10. Pitches in 2 lines facing each other, betting straight (trackside), betting without (bankside)
