

## SHRC/CORBIEWOOD ANNOUNCEMENT

Due to the dwindling numbers of horses in training in Scotland, the SHRC Committee have decided that the meeting of 18th October was unfortunately the last fixture of the Scottish 2020 season at Corbiewood.

The Committee wish to convey its heartfelt thanks to everyone who has helped to make this racing season possible. It has been a most challenging year due to the current Covid pandemic and it would not have been possible without the support of the Owners who kept their horses in training during these uncertain times, as well as the commitment from the Trainers, Drivers & Grooms, and the generosity and support from fantastic Sponsors.

We would also like to thank all the people who also contribute to make racing possible; The team at Corbiewood who prepare the track and facilities for racing and training, all the race day key personnel, stewards and volunteers who assist in the running of the race days, as well as BHRC and the people who contributed their time to produce the Covid guidelines.

We can now begin looking forward to the 2021 season in the hope that we can welcome the public back into all our Scottish tracks Corbiewood, Haugh Field and Musselburgh.
