Groom of the Year Award

The BHRC Awards Committee met recently to discuss the awards for the 2020 season and it was unanimously agreed to create a new award for 'Groom of the Year'. There will be three winners of the award.

Individuals who only held a Groom licence in 2020 are eligible to be nominated in one of the three regions: England, Scotland or Wales.

Trainers must only nominate ONE groom associated with their stable and provide a short explanation as to why you feel your groom deserves to win the award.

Please also specify which region you are applying for.

This is your opportunity to shine the spotlight on those who helped your stable behind the scenes in 2020!

Nominations should be sent to the BHRC office via email by Friday 19th February.

Special Contribution Award

Clubs and associations are invited to nominate individuals who they feel are deserving of consideration by the BHRC Directors for the Special Contribution Award.

Nominations should be sent to the BHRC office via email by Friday 19th February.
